In this study of canonical and lesser-known short fiction, we will read

Sherwood Anderson: *Winesburg, Ohio* (1919)

Jean Toomer: *Cane* (1923)

John Dos Passos: *Nineteen Nineteen* (1932)

William Faulkner: *Go Down, Moses* (1942)

Crystal Wilkinson: *Water Street* (1979)

Louise Erdrich: *Love Medicine* (1984)

Kate Walbert: *Our Kind* (2004)

*In addition to the reading, the requirements for this course are frequent reading quizzes,
two exams, and one ten-page research paper.*
